

POSSch

Parents & Carers
of Special Children

**Parents and Carers of
Special Children**

All about us...

POSCH was set up by parent carers of disabled children/young people in the Hambleton & Richmond areas.

We are a registered charity which provides a supportive befriending & information service for families.

POSCH believes...

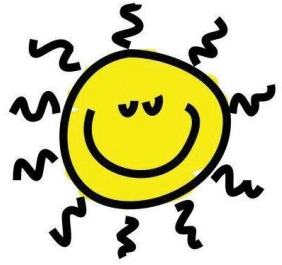

In collective empowerment & partnerships to **support**, **improve** and **inspire better** outcomes for children and their families.

POSCH includes...

Parents, carers and grandparents of children and young people with any additional needs with or without a diagnosis.

What we do:

-  Empower parents to support each other through peer support groups
-  Provide training on key issues, strategies/tools and practical family support
-  Arrange for speakers from services including Health, Education and Social Care to meet with parents
-  Signpost and provide information to help parents access services
-  Work together with other charities and agencies to ensure the parent carer voice is heard

What our parents say...

“POSCH is my life line”

“As I walk through the door at the POSCH sessions I can feel the stress lift from me and I know in the next few hours I will feel safe and supported. I leave feeling energised and inspired”

“My life has been enriched by POSCH”

“Without POSCH I would not have the strength to fight the on-going battle to access what my son needs”
